Assessing How You Manage Money

Objective: Recognize how you manage your money. Decide if it is time to change, and the steps needed to make that change.

Watch the You Tube video - the link is on the wiki under Money Matters.

YourTask Title	Point Value	Estimated Time	Description
Money Quiz in Lesson 1 of Money Basics	10	15 min.	Take the short quiz, what recommendations do they make? How can you make it positive and productive?
Lesson 2: Creating a Budget	100	2 days	Using a variety of resources, make a budget (there is a template in the reading). Lets say that you were moving to Grand Junction (you choose the city) this summer, what would your expenses look like? www.gjsentinel.com
